Bright business apartment with great furnishings

In the charming and renovated house in Altenessen Süd, this business apartment for one or two people impresses with its furnishings, location and a very good price. There are two comfortable single beds in the living room / bedroom, which can also be used as a double bed if needed. A cosy seating area and a work area with a large desk and TV complete the space. The new bathroom is equipped with a bathtub with shower attachment (sit-down shower) and the separate kitchen is ideal for preparing small meals. A bistro counter with two dining areas is also available. The well-maintained furnishings, good location, fast internet and an inviting inner courtyard make the business apartment a great choice – even for a longer stay.

Location and area

The apartment is located in a renovated house near the city centre (3.5 km), the university, the exhibition centre and the newly emerging “Essen 51” district. Altenessen train station is only a 5-minute walk away. From there, the U-Bahn and S-Bahn connect to all central destinations in the city in just a few minutes (main train station and city centre in approx. 10 minutes, exhibition centre in approx. 20 minutes). By car – which can be parked free of charge in the quiet residential street – you can get to the city centre in a good 10 minutes. The central motorways of the Ruhr area are also very easy to reach. A shopping centre with all shops for your daily needs is within walking distance (5 minutes). All in all, an ideal location for those who want to live in a quiet yet central location.
