Move in and feel good: Apartment with a fresh look

A stylish Scandinavian oasis has been created in this beautifully renovated apartment. Soft colors and modern furnishings skilfully set the scene in the living room with open kitchen. The comfortable sofa can be transformed into an additional sleeping area (2.40 m x 1.30 m) for up to two people in no time at all. The bright kitchen area has a fully equipped kitchenette (including dishwasher) and a cozy dining table for 2 people. The spacious bedroom impresses with modern and fresh clean lines, in which the comfortable queen-size bed (1.60 m x 2.00 m) always offers restful sleep, a practical closet with mirror and a chest of drawers offer plenty of storage space. The desk is height-adjustable and offers a quiet place for home office activities. The highlight of the new and bright bathroom is the spacious walk-in rain shower, with which you can always start the day fresh, and the bathroom is also equipped with a washing machine. A real feel-good apartment that offers a perfect temporary home for one to three people, or even for a longer stay.
