Excellent living in the popular south of Essen

The individual apartment in a professionally run boarding house impresses with its homey ambience and high comfort. The charming apartment offers an open room concept with individual design elements without sacrificing comfort and state-of-the-art technology. In the living area with an open kitchen and complete kitchenware and appliances (including a dishwasher) there is a dining area for four people and a sofa. The bright bedroom has an unusual design and is equipped with a double bed (1.60 mx 2 m). A modern shower awaits guests in the light-flooded bathroom. The apartment in the restored old villa was furnished with great attention to detail and is aimed at guests who value ambience and service. It includes a weekly cleaning and laundry service. In the summer you can relax on lounge furniture in the large garden. All in all, it's a perfect temporary oasis – also for a longer stay.
