In the large living room there is not only a comfortable sofa, but also two single beds that are visually separated and of course can also be set up as a double bed. In the separate bedroom there are also two single beds that can optionally be used as a double bed. A spacious, fully equipped kitchen and two bathrooms (one with a bathtub, one with a shower) complete this comfortable and well-kept apartment.

Location and area

This apartment is located in a beautifully modernised Art Nouveau building on the edge of the popular Essen-Steele district, which not only offers shops for your daily needs, international gastronomy, history and culture, but is also close to the Ruhr river bank, which is a natural recreation area. The green belt around Isinger Feld can be reached in five minutes. While motorists appreciate the short distances to the A40 and A52, Steele offers the ideal hub local public transport in the directions of Essen-Stadtmitte, Oberhausen, Duisburg, Gelsenkirchen, Bochum and Dortmund. Public parking on the street is hassle-free. The main train station and other central destinations within Essen can also be reached in a very short time by public transport. All shops for your daily needs, stores and great gastronomic options are also within walking distance. The covered terrace in a spacious, natural garden is a highlight in the summer available to all guests.
