XXL apartment for 5 people

There is space for everyone here - on more than 100 square metres, with 3 bedrooms, an eat-in kitchen and a large living room. The bedrooms are designed for different needs. The first bedroom has a double bed (1.80mx 2m), the second bedroom has a queen-size bed (1.40mx 2.00m) and the third bedroom has a single bed (0.90cm x 2.00m). The large kitchen/living room offers a cosy dining area and impressive appliances (including dishwasher). The large bathroom and separate guest toilet also add to the quality of your stay.

## Location and area

This apartment is located in a beautifully modernised Art Nouveau building on the edge of the popular Essen-Steele district, which not only offers shops for your daily needs, international gastronomy, history and culture, but is also close to the Ruhr river bank, which is a natural recreation area. The green belt around Isinger Feld can be reached in five minutes. While motorists appreciate the short distances to the A40 and A52, Steele offers the ideal hub local public transport in the directions of Essen-Stadtmitte, Oberhausen, Duisburg, Gelsenkirchen, Bochum and Dortmund. Public parking on the street is hassle-free. The main train station and other central destinations within Essen can also be reached in a very short time by public transport. All shops for your daily needs, stores and great gastronomic options are also within walking distance. The covered terrace in a spacious, natural garden is a highlight in the summer available to all guests.
