

ZEITQUARTIER EXPOSÉ

Back to history – apartment for individualists

This apartment is for people who love something special. In the living room in particular, time seems to have stood still: Some of the furniture has been part of the house's furnishings since 1912. The apartment has been completely renovated and refurbished without removing any details from the time of construction. The historical charm is perfectly staged in the spacious living room with carefully selected wallpapers, historical crockery, fireplace, antique dining table and chairs, lamps and pictures. But you can still enjoy modern comfort. There is internet, TV, a modern bathroom with shower and a perfectly equipped kitchen as well as comfortable beds.

Location and area

The apartment building is located in a quiet inner courtyard in the Katernberg district, only 2 km from the famous Zollverein World Heritage Site. The city centre can be reached by car in 12 minutes, the exhibition centre in just under 20 minutes. The station on the 107 cultural line is just a few minutes' walk away – with public transport you can be in the city in just under 25 minutes. The Katernberg market with all the shops for your daily needs is within walking distance. Parking is free of charge directly at the building in the inner courtyard. Bicycles can be parked in a locked garage if needed.
