Bright apartment with a fresh flair

This sunny, bright 60 square metre apartment is ideal for a stay of up to four people. The apartment is very well maintained and the friendly, inviting character is underlined by the new furniture. Both bedrooms have new and comfortable 100 x 200 cm twin box spring beds, which can be put together as a double bed if required. The kitchen is fully equipped (including a dishwasher) and also offers seating to enjoy a coffee or a quick breakfast. The bathroom convinces its modern furnishings and a bathtub with shower attachment (glass partition). In the living room, two couches offer ample space to relax, and a new dining table offers room for 4 people. In the quiet, but well-connected side street (dead end), public parking in front of the house is no problem.

Location and area

The apartment is in a very central location in the Essen district of Huttrop, without having to forego peace and quiet (no traffic noise, as there is a dead end). You can walk to public transport (bus and tram) in 3 minutes, and Essen main train station and downtown Essen in less than 10 minutes. The Essen exhibition centre can be reached in 15 minutes by public transport and 10 minutes by car. The entrance to the A40 motorway is approx. 400 metres away.
