Beautiful apartment for sophisticated living

This bright 60 sqm apartment on the 1st floor has been thoroughly renovated. It now has a new, modern shower-bath and a fully equipped new kitchen. All floors are new and each of the three rooms has been furnished with a consistent look. The standard will also satisfy the highest demands. Both bedrooms have modern box spring beds that can be used as double or single beds if required. In the modern living room you can relax on one of the two couches or at the large dining table. It's the perfect accommodation for up to four people. The apartment is ideal for a longer stay. Due to the location in a cul-de-sac, you can enjoy peace and quiet and a (public, free) parking space in front of the house, despite the central location.

Location and area

The apartment is in a very central location in the Essen district of Huttrop, without having to forego peace and quiet (no traffic noise, as there is a dead end). You can walk to public transport (bus and tram) in 3 minutes, and Essen main train station and downtown Essen in less than 10 minutes. The Essen exhibition centre can be reached in 15 minutes by public transport and 10 minutes by car. The entrance to the A40 motorway is approx. 400 metres away.
